 - **IN**
 - Dogs Victoria Schedules for Non Qualifying and Novice Field Trial
 - Dogs Victoria Insurance Cover Pet Cover
 - Dogs Victoria RATG Schedule
 - Dogs Victoria Championship Show Schedule

Presidents Report –

2022 was a relatively good year for the club, certainly a little easier than 2021 with the easing of Covid restrictions. We did have some minor challenges to overcome with the loss of our treasurer during the year, many thanks to Lesley for stepping up to fill the void, and for the whole committee for being flexible and responsive.

On the topic of being responsive, in the modern world club committee communication is often not held face to face. Messenger, emails, video calls and Zoom are now more often the means of sharing information and enabling the day to day running of a club to continue while reducing the need for people to travel for meetings. I thank committee members for taking the time out to respond to such contacts in a timely manner.

The club once again was active in 2022 and conducted many events. We held a championship show, an open show, a RATG trial, a training day, four days of retrieving trials and four days of utility Gundog field trials. This is an achievement that I think we can all be very proud of and I thank everyone who contributed in any way. Looking forward to 2023 we hope to be able to up the ante and hold all of the above events as well as an additional championship show in April. Already this year we have added a retrieving training seminar to the calendar.

This year was my first year as president of the club and I am grateful for the acceptance of my inexperience and the guidance that I was able to receive from committee members. We are very fortunate to have a great group of people running the club and we look forward to 2023. Diane McCann
